* Please note that the organiser reserves the right to make changes without prior notice.

Please note that hand-outs will not be provided at this seminar. You can download seminar presentation materials from the IFE(S) website at [www.ife.org.sg](http://www.ife.org.sg) one week after the Seminar.

Exhibitions
All participants are invited to tour the Fire Safety Exhibitions during registration and tea-break reception.

Parking Information
There are 250 parking lots at UCC Car Park 3, with a parking rate of $0.0214 per minute capped at $2.568 for vehicles entering from 8.30am to 6.00pm during weekdays. If UCC parking lots are full, the other nearest Car Park 2A in front of Block E3A Faculty of Engineering charges a parking rate of $0.0214 per minutes for vehicles entering from 8.30am to 6.00pm during weekdays. Please refer to map attached.

Topics and Speaker’s Profile

**Topic 1: Introduction to Fire Code 2018**  
**Topic 3: Updates on Chapter 3 — Structural fire precautions (Part 1)**  
**Speaker: Mr Tan Yiyang**

CV: Mr Tan Yiyang is a Senior Consultant in Fire Safety and Shelter Department, SCDF, providing consultation to the public to clarify fire safety requirements for buildings. He is the Secretary of Fire Code 2018 and was part of the Fire Code Review Committee that has reviewed the Fire Code since 2018. He is also involved in the review of other codes and standards under Enterprise Singapore.

**Topic 2: Updates on Chapter 2 — Means of escape**  
**Speaker: Ar. Eng Yew Hoon PBM**

CV: Ar. Eng Yew Hoon is the principal architect of EzY architects and a Registered Inspector (Arch). She is currently the Chairperson of Singapore Institute of Architects - Regulation Codes & Standard - Fire Safety & Security (SIA-RCS-FSS) sub-committee. She is the member of the Fire Code Review Committee since Year 2000 and contributed to the revision of Fire Code 2002, 2007, 2013 and the recently launched Fire Code 2018. Since 2014, she has been appointed by the Commissioner of FSSD as the member of FSSD Audit Inquiry Committee.

She was also a member of Review Committee for Code of Practice for Fire Precautions in Rapid Transit Systems 2012 and 2017 and was appointed by Ministry Of Home Affairs as the Chairperson of the Fire Safety Appeals Advisory Board between 2012 and 2016. She was awarded "SCDF Star Customer Award “in Year 2012” and conferred the Public Service Medal (PBM) in Year 2013 in recognition of her outstanding contributions towards enhancing high standards of fire safety in Singapore.

**Topic 4: Updates on Chapter 3 – Structural fire precautions (Part 2)**  
**Topic 5: Updates on Chapter 4 – Site planning and external firefighting provision**  
**Speaker: LTC Choh Choon Jin**

CV: LTC Choh Choon Jin is an Audit Team Leader in the Fire Safety Plans Compliance Branch, FSSD. Besides managing the audit team and auditing of fire safety plans, he is also a member of the Fire Code Review Committee and had actively involved in the review and formulation of Fire Code 2018. Currently, he is a member of the Technical Committee (TC) on Architectural Works. He also assists in providing consultation to the public/qualified person on enquiries of fire safety requirements for public housing projects.

**Topic 6: Updates on Chapter 5 – Electrical power supplies & Chapter 6 – Firefighting systems**  
**Speaker: Er. Choong Choon Guan**

CV: Er. Choong Choon Guan joined Alpha Consulting Engineers Pte Ltd in 1996 and is appointed as Director since 2006. He graduated with a Bachelor of Engineering (Mechanical) from the National University of Singapore in 1992 and obtained the Master of Science (Building Services) from the National University of Singapore in 1999. He is a Professional Engineer (Mechanical) and Registered Inspector (M&E). Currently, he is also a Council Member of the Association of Consulting Engineers Singapore (ACES) and representing ACES in the SCDF Fire Safety Standing Committee and SCDF Audit Committee.

**Topic 7: Updates on Chapter 7 – Mechanical Ventilation & Smoke Control Systems & Chapter 8 – Emergency lighting & Voice communication systems**  
**Speaker: Er. Yeow Mei Leng**

CV: Er. Yeow Mei Leng is an Associate Principal with Arup Singapore. She is a Professional Engineer, Registered Inspector and Registered Fire Safety Engineer. She is constantly engaged with SCDF through her active participation in many of the FSSD working committees, and notably the SCDF Fire Safety Standing Committee and the Fire Code Review Committee.

**Topic 8: Updates on Chapter 9 – Additional requirements for each purpose group**  
**Speaker: Mr Randy Tan**

CV: Mr Randy Tan is currently a Senior Staff Officer on Codes development in the Fire Research Unit of FSSD. He has presented several seminar papers on topic “means of escape” and “Codes Updates” and played an active role in the production of the Fire Code and its handbooks. He was the secretary of the Fire Code Review Committee 2002 for the publication of the Fire Code 2002 and the Code Editor for the subsequent publication of the Fire Code 2007 and 2013 edition. He has also served as secretary of Standard for Fire Safety in Rapid Transit Systems 2012.

**Q&A Session 1**  
**Moderator: Mr Azmi Adam**

CV: Mr Azmi retired from the Singapore Civil Defence Force in July 2018 as Head of Fire Safety & Investigation Branch in Civil Defence Academy (CDA). Throughout his 36 years illustrious career he has acquired vast experiences in the area of firefighting, rescue, hazmat, fire safety, fire investigation and fire safety legislation. He was pivotal in the formulation of the Fire Safety Act and its enactment in 1993 and played an active role in its review in 2013.

Mr Azmi is a Fellow member of the IFE. After completing two terms as the President of the IFE (Singapore Branch) from April 2014 to March 2018, he is currently the Branch Immediate Past President.

**Q&A Session 2**  
**Moderator: Er. Siew Yee Cheong**

CV: Er. Siew Yee Cheong is a Professional Engineer, Registered Inspector (M&E) and Registered Fire Safety Engineer. He has been serving in the SCDF Fire Safety Standing Committee, past Fire Code Review Committee & Research Project Committee, and Spring Singapore’s Working Groups on SS575 and CP52. In addition to his many years of professional practice, Er. Siew lectured in NUS and was conferred Adjunct Associate Professorship by NUS in
2010. He also conducts fire safety training and provides advisory services to the building industries. Er. Siew holds the appointment as the Chairman of the Fire Safety Appeals Advisory Board, and he is a current member of the Fire Safety Engineers Inquiry Panel and Registered Inspectors Selection Panel.
